

# Ottawa SWCD 2010

It's time to stock your ponds! Again, area pond owners have the opportunity to stock their ponds with fish through the Ottawa SWCD Fish Sale Program. This is a convenient and low-cost way to stock or add to your current population. ***Fish orders will be accepted until Friday, October 1st.***

As in the past, Fender's Fish Hatchery will bring their tank truck, with aerator, on **Thursday, October 7th at 2:30 p.m.** to our office to distribute the fish orders! Species available are **Bluegill, Channel Catfish, Largemouth Bass, Fathead Minnows, Yellow Perch, \*Redear Sunfish (shellcracker) and White Amur (Grass Carp).**

Individuals who order fish will be notified, reminding them of the pick-up time and date. **You will need to bring your own container, filled with pond water. A trash container (with a plastic trash liner) serves as an ideal container.**

**A 5-10 gallon (clean) can is adequate for 100 fish.  
For more info call 898-1595**

## Stocking Rates

Species	Number/Acre
Bluegill	500
Channel Catfish	100
